

WEDDINGS AND RECEPTION

Riverman Cabin - Tonteldoos

THE BIG DAY

Nestled in the beautiful valley of Tonteldoos, Riverman Cabin is the perfect place to exchange traffic for donkeys lazily grazing, rushed lunches for a picnic in the veld and city noises for an evening song, sung by crickets and orchestrated by frogs. Riverman Cabin is situated in the Tonteldoos Valley, +-30 km northeast of Dullstroom, which is approximately a 3-hour drive from Johannesburg.

The Chapel

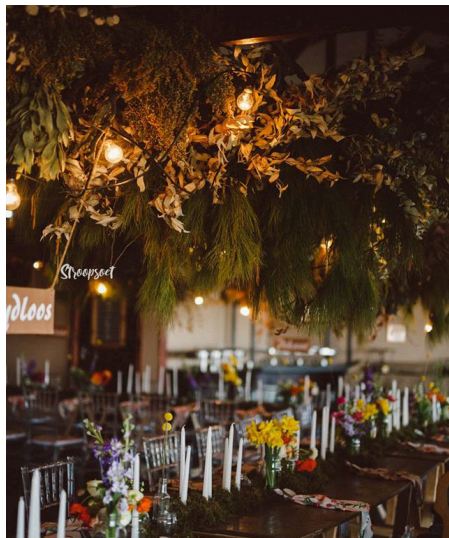

Our stunning white Chapel, coupled with breath-taking surroundings and views from the Chapel's balcony, is the perfect venue for intimate weddings.

A beautifully restored horse cart from the early 1900's, pulled by two handsome donkeys, is available to transport the bride to the Chapel.

(Maximum 60) guests.

The Reception

Guests can easily walk from the Chapel to the restaurant, which is located only a few meters from the Chapel.

The restaurant is well equipped with cutlery crockery. Our tables are wooden tables with dark as well as light wooden tops. Décor such as tablecloths, napkins etc. can be supplied by the Bride herself, or décor can be hired for the Bride. Extra charges will apply for any décor hired by Riverman for the Bride.

The Chapel as well as the restaurant is covered, thus it will not be a problem should it rain. Speak to us about your theme, which will help us in accommodating you. A site visit is also recommended to make sure our venue fits in with your theme.

Packages

ADDITIONAL INFO

Should you want to consider an outdoor ceremony, a site visit is strongly recommended. The prices for reception will remain the same and as the Chapel will not be used for outdoor ceremonies, the rate for Chapel hire will not apply. The cost for an outdoor ceremony will depend on the bride's needs.

We aim to provide the bride and groom with the wedding of their dreams, thus, should you want a different menu, or want to add something, talk to us about your ideas and we will do our best to accommodate you (please note that we are only equipped to serve main meals in buffet style).

Usually the venue is closed for the Friday & Saturday morning to allow for set-up.

Informa dinners and breakfasts can, however, be provided in our boma.

Take away dinners can also be taken to the cabins, and a breakfast picnic is also an option.

Prices for the above will depend on your needs – kindly let us know if you are interested in any of the above, and we will get all the necessary info from you to send a quote.
